Subject: Clarification on the summary of complaints at DSI

To: Managing Director

The Stock Exchange of Thailand

As reported in online and print media regarding an individual filing a complaint against Srisawad Corporation Public Company Limited (“the Company”) and its subsidiaries with the Department of Special Investigation (DSI) on the matter of charging interest rates exceeding legal limits, and the DSI having accepted the matter as a special case since 2024, the Company has now received an official letter from the DSI No. YorTor 0824/1950 dated May 30, 2025. The conclusions are as follows:

The Director-General of the Office of Special Litigation has reviewed the case and issued an order **not to prosecute** Srisawad Corporation Public Company Limited and its four subsidiaries for the crime that of jointly lending money and charging interest in excess of the rate prescribed by law, pursuant to the Act Prohibiting the Collection of Interest at Excessive Rates B.E. 2560 (2017), Section 4, and the Criminal Code, Section 83. The Director-General of the Department of Special Investigation has considered the matter and does not object to the public prosecutor’s order **not to prosecute**.

This is to inform you that the Company and its subsidiaries have not charged interest rates beyond those permitted by law in any way.

Yours faithfully,

-Wanaporn Pornkitipong-
